

Will you stand above me? Look my way, never love me Rain keeps falling, rain keeps falling down, down, down Will you recognise me? Call my name or walk on by Rain keeps falling, rain keeps falling down, down, down

> Hey, hey, hey, hello! Hu hu hu hu hu hu huooo

Won't you, come see about me? I'll be alone, dancing, you know it baby Tell me your troubles and doubts, giving me everything, inside and out and. Love's strange, so real in the dark Think of the tender things that we were working on Slow change, may pull us apart When the light gets into your heart, baby

Don't you forget about me, don't, don't, don't, don't Don't you forget about me Will you stand above me? Look my way, never love me Rain keeps falling, rain keeps falling down, down, down Will you recognise me? Call my name or walk on by Rain keeps falling, rain keeps falling down, down, down

> Hey, hey, hey, hello! Hu hu hu hu hu huooo

Don't you try to pretend, it's my feeling we'll win in the end I won't harm you or touch your defences, vanity and security Don't you forget about me, I'll be alone dancing, you know it baby Going to take you apart, I'll put us back together at heart, baby

> Don't you forget about me, don't, don't, don't, don't Don't you forget about me

As you walk on by, will you call my name? As you walk on by, will you call my name? And you walked away

> As you walk on by And you called my name Will you call my name?

I say la, la la la la laaaa, la la la laaaa la laaaa...

Don't you forget about me, don't, don't, don't, don't Don't you forget about me, don't, don't, don't, don't Don't you forget about me, don't, don't, don't, don't Don't you forget about me, don't, don't, don't, don't

> Hey, hey, hey, hello! Hu hu hu hu hu huooo
