

Medley Abba

(generico)

DANCING QUEEN

You can dance, you can jive, having the time of your life
See that girl, watch that scene, dig in the Dancing Queen

Friday night and the lights are low

Looking out for the place to go

Where they play the right music, getting in the swing

You come in to look for a King

Anybody could be that guy, night is young and the music's high

With a bit of rock music, everything is fine

You're in the mood for a dance

And when you get the change...

You are the Dancing Queen, young and sweet, only seventeen

Dancing Queen, feel the beat from the tambourine ho ho

You can dance, you can jive, having the time of your life

See that girl, watch that scene, dig in the Dancing Queen

S.O.S.

Where are those happy days, they seem so hard to find

I tried to reach for you, but you have closed your mind

Whatever happened to our love? I wish I understood

It used to be so nice, it used to be so good

So when you're near me, darling can't you hear me S.O.S

The love you gave me, nothing else can save me S.O.S

Ah ah ah ah ah ah ah ah ah

When you're gone How can I even try to go on?

When you're gone Though I try how can I carry on

You seem so far away though you are standing near

You made me feel alive, but something died I fear

I really tried to make it out, I wish I understood

What happened to our love, it used to be so good

So when you're near me, darling can't you hear me S.O.S

The love you gave me, nothing else can save me S.O.S

Ah ah ah ah ah ah ah ah ah

When you're gone How can I even try to go on?

When you're gone Though I try how can I carry on

MAMMA MIA

I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control, There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything o - o - o - oh
Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it snow again?
My my, just how much I've missed you
Yes, I've been brokenhearted, blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know, my my, I could never let you go.

I DO, I DO, I DO, I DO, I DO

Love me or leave me, make your choice but believe me
I love you I do, I do, I do, I do, I do
I can't conceal it, don't you see, can't you feel it?
Don't you too? I do, I do, I do, I do, I do
Oh, I've been dreaming through my lonely past
Now I just made it, I found you at last
So come on, now let's try it, I love you, can't deny it
Cos it's true I do, I do, I do, I do, I do

THE WINNER TAKES IT ALL

I don't wanna talk about the things we've gone through
Though it's history, now it's history
I've played all my cards, and that's what you've done too
Nothing more to say, no more aces to play
The winner takes it all, the loser standing small
(Coro: So the winner takes it all, and the loser has to fall)
Beside the victory, that's her destiny
The winner takes it all, the loser standing small
So the winner Takes it all And the loser Has to fall

Mamma mia, here I go again. My my, how can I resist you?
