

# *Bee Gees - Medley*

(generico)

Listen to the ground / there is movement all around  
There is something goin' down / and I can feel it  
On the waves of the air / there is dancin' out there  
If it's something we can share / we can steal it  
And that sweet city woman she moves through the light  
controlling my mind and my soul  
When you reach out from me, yeah / and the feeling is bright

Then I get night fever, night fever / We know how to do it  
Gimme that night fever, night fever / We know how to show it  
Here I am / prayin' for this moment to last  
Livin' on the music so fine / Borne on the mind / Makin' it mine  
Night fever, night fever / We know how to do it  
Gimme that night fever, night fever / We know how to show it...  
Night fever, night fever / We know how to do it  
Gimme that night fever, night fever / We know how to show it...

Night, Fever Night, Fever Night...

My baby moves at midnight  
Goes right on till the dawn  
My woman takes me higher  
My woman keeps me warm  
What you're doin' on your back  
Aaah, what you're doin' on your back  
Aaah, You should be dancing, yeah / Dancin', yeah  
She's juicy and she's trouble  
She gets it to me good  
My woman gives me power  
Goes right down to my blood  
What you're doin' on your back  
Aaah, what you're doin' on your back  
Aaah, you should be dancing, yeah / Dancin', yeah

(intermezzo musicale)

What you're doin' on your back  
Aaah, what you're doin' on your back  
Aaah, you should be dancing, yeah / Dancin', yeah

Well you can tell by the way I use my walk  
I'm a woman's man, no time to talk  
Music loud and women warm  
I've been kicked around since I was born  
and now it's all right  
it's ok  
and you may look the other way  
We can try to understand  
the New York times' effect on man

Whether you're a brother or whether you're a mother you're  
stayin' alive, stayin' alive  
Feel the city breakin' and ev'rybody shakin' and we're  
stayin' alive, stayin' alive  
Ah ha ha ha stayin' alive, stayin' alive  
Ah ha ha ha stayin' alive

Well now I get low and I get high  
and if I can't get either I really try  
Got the wings of heaven on my shoes  
I'm a dancin' man and I just can't lose  
you know it's all right  
it's ok  
and I'll live to see another day  
We can try to understand  
the New York times' effect on man

Whether you're a brother or whether you're a mother you're  
stayin' alive, stayin' alive  
Feel the city breakin' and ev'rybody shakin' and we're  
stayin' alive, stayin' alive  
Ah ha ha ha stayin' alive, stayin' alive  
Ah ha ha ha stayin' alive

Life goin' no where  
Somebody help me  
Somebody help me yeah  
Stayin' alive  
Life goin' no where  
Somebody help me yeah  
Stayin' alive
