

We Are The World - USA For Africa

(generico)

There comes a time when we need a certain call
When the world must come together as one,
There are people dying, it's time to lend a hand to life,
the greatest gift of all!

We can't go on pretending day by day
that someone, somewhere will soon make a change;

We are all a part of God's great big family
And the truth, you know, love is all we need.

We are the world, we are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're makin', We're saving our own lives
It's true, we'll make a better day, just you and me.

Send them your heart, so they'll know that someone cares
And their lives will be stronger and free.
As God has shown us by turning stones to bread,
So we all must lend a helping hand.

We are the world, we are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're makin', We're saving our own lives
It's true, we'll make a better day, just you and me.

When you're down and out, there seems no hope at all
But if you just believe, there's no way we can fall
Let us realize that a change can only come
When we stand together as one!

We are the world, we are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're makin', We're saving our own lives
It's true, we'll make a better day, just you and me...
